Re: Participation in the 2016 New Jersey Student/Parent Mock Election

Dear Chief School Administrator:

I am writing to invite every New Jersey student, their teachers and their parents to participate in the 2016 National Student/Parent Mock Elections. The purpose of the mock election is to educate students and parents about the duties of citizenship and to inspire them to exercise their right to vote.

The 2016 National Student/Parent Mock Election will take place on October 24, 2016 through November 3, 2016. The mock ballot will include candidates for President of the United States and the United States House of Representatives, as well as key national topics and social issues.

If you are unable to coordinate the voting in your school, please ask another teacher or administrator to return the enrollment form. The enrollment form, ballot and additional resources and information are available at www.nationalmockelection.org.

Sincerely,

A handwritten signature in blue ink that reads "Kim Guadagno".
